

Follow-up Workshop BioNumerics & GelCompar II: programme

Day 1

- 09:00 BioNumerics Follow-up Workshop: Introduction
- 09:15 Advanced topics in fingerprint processing
- 10:15 Similarity of banding patterns and cluster analysis (part 1)
- 10:45 *Coffee break*
- 11:00 Similarity of banding patterns and cluster analysis (part 2)
- 12:00 Generic Plugin tools: import, database, ...
- 12:45 *Lunch*
- 13:30 Generic Plugin tools: ..., dendogram, XML, Geo
- 14:15 Cluster verification tools and group separation statistics
- 15:30 *Coffee break*
- 15:45 Advanced cluster analysis
- 17:30 Bus transfer to the hotel
- 19:00 Workshop dinner

Day 2

- 09:00 Minimum Spanning Trees
- 09:30 New Sequence viewer, alignment window, BLAST (part 1)
- 10:30 *Coffee break*
- 10:45 New Sequence viewer, alignment window, BLAST (part 2)
- 11:15 Statistics & MANOVA
- 12:15 New charts & statistics window
- 12:45 *Lunch*
- 13:30 Partition Mapping
- 14:15 Application-based Plugin tools: MLST
- 14:45 *Coffee Break*
- 15:00 Application-based Plugin tools: VNTR
- 16:00 End of workshop, bus transfer to the railway station and the hotel
